Letter from the Division Director

Summer Programming 2022 is in the books! As I promised last year, we reached out to parents, providers and the youth to make sure that we were simultaneously bridging the gaps and ensuring quality programming during the summer months. Last year, parents and children asked for more educational and fun activities in their community. They wanted us to know that the impact of COVID-19 on emotional and educational achievement was real, and that the demands placed on our children has increased their need for mental health support.

This year we focused on providing enriching experiences for the summer to enhance growth, increase supports, improve learning and practice safe behaviors. Through the summer camp scholarship program, more than 3600 children had an opportunity to attend camps that fostered their growth through sports, dance, music, art, technology, mentoring, academics and play. All camps had access to free mental health services through the Youth Services Departments' youth and family counseling therapists for both campers and their families. Our children continue to demonstrate resilience and a thirst for knowledge.

As I look towards the future, the smiles on the faces of the children who had an opportunity to dance at the Jamathon, spell out loud for the judges at the Bee or read in their quiet corner of their camp, sits with me. I have heard their requests for more. More reading! More sports! More music! More dance! More arts and crafts! More opportunities!

To our camp providers, as your heart, head, and hands nurture our children, I challenge you to bring them more...

To my OCP team, who works tirelessly, thinking outside the box, I challenge you to raise the bar, and bring them more...

To the parents, I challenge you to allow them access so that we can bring them more...

To the Board of County Commissioners, County Administration, Children's Services Council, I thank you for recognizing the importance of our children's growth and for working with us as we bring them more...

I am excited about the prospect of what everyone will bring to the table for summer 2023.

Summer Camp Scholarship Program

Purpose:

The Summer Camp Scholarship Program (SCSP) provides full-tuition and fees for summer camp for children residing in families with income at or below 150% of Federal Poverty Guidelines or who meet priority criteria (foster care, homeless, or involvement with the delinquency systems).

Funding for the SCSP is provided through a partnership between the Palm Beach County Board of County Commissioners and the Children's Services Council. Friends of Youth Services and Palm Beach County, Inc. serves as the fiscal agent responsible for managing funds and retaining financial records.

Database Application:

With the implementation of the SCSP electronic application in 2018, the number of applications for scholarships has increased. Through technology, the application is accessible from any computer or mobile device. Parents also have the option to come into the Palm Beach County Youth Services Department’s main office to complete their application and receive assistance from SCSP staff, or attend scheduled outreach opportunities within the community. The easy online access provided by the database application has proven to be successful as measured by the increased number of applications and the decrease in outreach attendance.

 Special Needs	0	0	0	81	13	11	12	23

Numbers are based on the scholarships utilized by campers (rather than the number awarded).

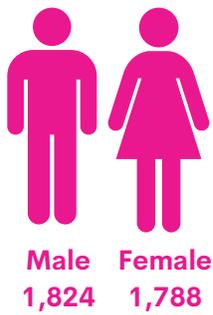

*The total calculated in 2018 utilized an old measurement format.

Summer 2020 experienced a decrease in scholarship utilization related to the COVID-19 pandemic. The homeless youth may also attribute its utilization decrease to the virtual learning platform shift at the end of the 2019-2020 school year which may have led to underreporting of homeless youth. As school are returning to in-person learning, the number is starting to rise.

Belvedere Elementary School

Summer Camp Scholarship Program

Educational Enrichment Camps:

Annually, the EEC providers submit a report with a summary of their summer camp experience including accomplishments, challenges, curriculum information, successes, and suggestions for next summer.

Accomplishments:

- Campers expanded their vocabulary daily through the "Word of the Day"
- Preventing the summer slide
- Campers gained SEL and academic knowledge
- Displayed teamwork
- Received therapy sessions from the Youth and Family Counseling team
- Utilized the Mental Health Class through NAMI
- Campers placed during the Super Summer Spelling Bee
- Children received food for the weekend

Challenges:

- Finding adequate staff coverage
- Transportation
- Finding innovative ways to keep campers engaged (especially middle school campers)
- Campers being out sick
- Academic loss due to the pandemic

"We accomplished our goal to maintain and gain academic proficiency over the summer. Students participated in several activities of cultural arts and placed second place in the dance showcase."

– KEC/ Canal Point Elementary School

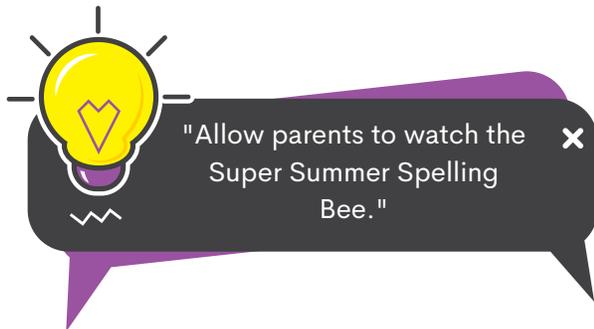

Digital Vibez

Summer Camp Scholarship Program

Educational Enrichment Camps:

Successes:

- The return of field trips
- Increased reading and math skills
- Being able to offer free meals
- Art lessons, music instructions, and swim lessons
- Increased enrollment and improved attendance
- Students became more confident that they would do better during the 22-23 school year
- Career focused Fridays; brought in different people from all occupations to speak and share about their professions

"We experienced new opportunities and a sense of normalcy since the pandemic. Most of our campers had never attended a field trip since entering elementary school or taken a ride on a bus due to the pandemic."

School District of Palm Beach County's L.I.T. Summer Curriculum

The L.I.T. (Liberating Inspirational Transformative) Summer Curriculum was created by the School District of Palm Beach County's (SDPBC) Teaching and Learning Division Office of African, African American, Latino, Holocaust, and Gender Studies.

This free program was developed for SCSP camps in 2021 to include culturally relevant activities for participants in grades 6 – 8.

In 2022, the SDPBC expanded the program to include a 9-week curriculum for primary grades K – 5.

The goal of the program is to engage and inspire students through movement, art, music, and real-world experiences. All camps were offered training and encouraged to participate in this program.

Scholastic Literacy Project

In 2021, funding provided by Friends of Youth Services launched the Scholastic's LitCamp literacy program. This pilot provided 17 camps a curriculum for teachers/counselors and a library of over 250 books that camps can keep and reuse. The "bunks" provide one-hour of daily summer reading curriculum and books by campers grade level.

One challenge identified through provider feedback was the difficulty administering the curriculum with camps that house multiple grade levels together.

In 2022 after the completion of the pilot, YSD used the remaining books and separated them into categories that followed the Scholastic seven strengths series. A curriculum around this series as well as the book *Bud, Not Buddy* for middle school-aged campers. Four camps were selected to pilot these new curriculums.

Little Dots Learning Center in Riviera Beach received:

- The K-1 LitCamp bunk
- Middle school-aged books
- The *Bud, Not Buddy* curriculum

"The more that you read, the more things you will know... Not only were the students involved with the program but we had the parents check out books to bring home, to increase parent involvement."

- Kimberly Seay Pitts, Little Dot's Learning Center

Klever Kids Learning Academy in West Palm Beach

received:

- The 7 Strengths library
- The K-1 LitCamp bunk

Our school had the blessings of Palm Beach County Youth Services to build a special Library for all students and staff. The books help our students identify different kinds of books - science, fiction, non-fiction, etc. We want to give you all a BIG THANK YOU for all you all have done. The library is beyond beneficial."

- Sabrina Davis, Klever Kids Learning Academy

Pahokee Deliverance Christian Center, Inc.

in Pahokee received:

- The K-1 LitCamp bunk

Summer Camp Scholarship Program

Scholastic Literacy Project

Noah's Ark Child Development Center in Belle Glade received:

- The 7 Strengths library
- Full set of elementary LitCamp bunks
- A redesigned reading room

"Our youth loved the variety of books they received and enjoyed the assignments that followed. They focused on new vocabulary words and would show their eagerness for learning each week. Overall, I would give the Literacy Project a 10/10 and would love to continue incorporating it each summer. Thank you so much for giving us and our youth the opportunity to experience the program."

Children's Services Council Filming

In 2021, the Children's Services Council visited four SCSP providers, to create informative videos about the program, the application process, and the services provided by the camps.

The camps featured were All Starz Cheer and Dance Camp, Basketball & Books at JFK Middle (STAMP), Broadway Theatre Camp (Bright Futures Academy), and Jeaga Middle School (Preparing Tomorrow's Leaders Today).

These videos are available in English, Spanish, and Creole and were viewed over 196,000 times.

In 2022, CSC filmed four camps including parents, campers, and staff to feature for the 2023 advertisements.

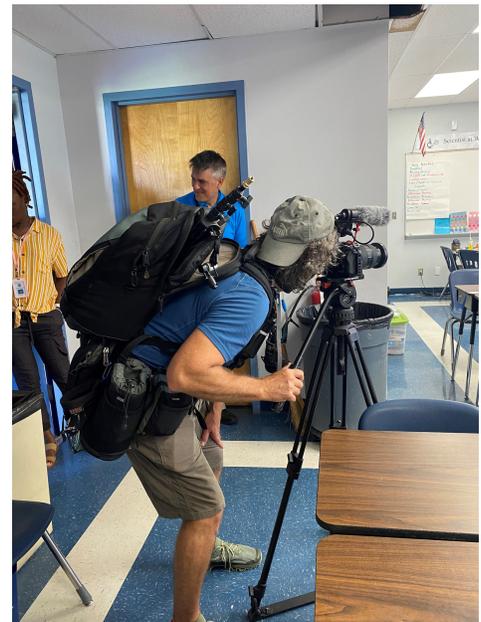

2022 Filming held at:

- Boldin Community Impact Camp at Pahokee Elementary
- City of Greenacres
- Pahokee Dance Academy

Super Summer Spelling Bee

Super Summer Spelling Bee

Held on July 14, 2022, this virtual event utilized Kahoot!, a virtual learning-based platform that tested campers on spelling skills through identifying the correct spelling of a spoken word, filling in the blanks, listening and typing the correct spelling of a word, and selecting the correct word in a sentence.

The spelling bee provides academic activities to encourage the spirit of learning while preventing summer and COVID slides. The top three winners from each grade category were awarded trophies and a book; the 1st place winner of each category received a Kindle.

Thank You

Talented Teen Club Summer Camp

Good afternoon Humberto, I'm sending this just to thank you for all the help you gave me so that this summer my girls could be in the camp, more people like you, so committed to your work. Thank you very much.

Noah's Ark Child Development Center

Good Afternoon Ms. Tammy Fields,

I want to say thank you for all your support and the county for the scholarship that my daughter got.

My daughter is Ruth Guapo she has been attending Ascension 33 Dance studio since she was in the third grade.

But due to covid and other issues she was not able to attend the dance studio the last 2 years.

My daughter enjoys performing and Ascension 33 has made her a better young lady in discipline and in school.

Again thank you for all your support in our glades kids.

Best Regards,

The Guapo Family

Thank You

Dear Friends and Supporters of CROS Camp,

I am a grandmother of three grandchildren ranging from 5 to 13 years old. Due to unforeseen circumstances, they are now living with me full-time. I had no idea what I was going to do with them this summer. I called CROS' Camp Director, Ms. Emily, and we had a long talk. She told me CROS Camp would be their home for the summer.

I had no idea the amazing experience they would have at CROS Camp! They were able to continue with their academics, made fun science experiments, created beautiful art work, played games, and made some great new friends.

I was so thankful to receive the bag of food on Thursdays each week too. I went from a home of one to suddenly four so having that extra food was really appreciated.

These words do not even come close to the gratitude and thanks I have in my heart for such an incredible summer and support system for my family. Thank you for helping to make camp possible not only for my three grandchildren, but also the other children in our community.

With Gratitude,
A Very Blessed Grandma

*Thank you so much
for all your help with
summer camp!
Blessings
Auntie*
