SUBCOMMITTEE DESCRIPTIONS

1. Prevention and Education: To include, but not be limited to, establishing prevention and harm-reduction activities and education for residents in schools and communities.

2. Treatment and Recovery: To include, but not be limited to, establishing a coordinated Recovery-Oriented System of Care (ROSC); integrated behavioral health; expanding Peer Recovery Support Services (e.g., Recovery Community Organization/Recovery Community Centers (RCO/RCCs)); access to Medication-Assisted Treatment (MAT); and creating a neutral care coordination entity.

3. Public Policy: To include, but not be limited to, identifying, reviewing, and monitoring related public policies and legislation; and engaging, educating, and informing public officials, key strategic partners and constituency members in advancing sound public policy.

4. Justice System & Public Safety: To include, but not be limited to, supporting and enhancing operational strategies for First Responders, Mobile Response Units; expanding diversion services to decrease criminalization; increasing access to naloxone; and collaborating with law enforcement and public safety organizations.

5. Evaluation and Monitoring: To include, but not be limited to, implementing a Recovery Capital instrument; measuring and tracking treatment outcomes across the care continuum using advanced analytics to establish evidence-based best practices; increasing Committee member participation in monitoring of publicly funded treatment and recovery programs and services.

6. Essential Services: To include, but not be limited to, advancing social determinants of health such as food, housing, employment, education, access to medical care, and the collateral consequences of criminal justice involvement.

7. Faith-Based: To include, but not be limited to, advancing inter-faith understanding of mental illness and substance use disorder and the important role of faith communities in a recovery oriented system of care environment.

8. Addiction Stabilization Unit: Responsible for working with the Palm Beach County Health Care District to review ASU patient care and related matters as well as make recommendations related to such when appropriate.
