ARTICLE 4.B, USE REGULATIONS  
SUMMARY OF AMENDMENTS  
(Updated 01/15/16)

Part 1. New ULDC Art. 4.B.4, Institutional, Public and Civic Uses, is hereby established as follows:

**CHAPTER B USE CLASSIFICATION**

**Section 4 Institutional, Public and Civic Uses**

**A. Institutional, Public and Civic Use Matrix**

Use Matrix has been provided as a separate handout for ease of use.

**Reason for amendments:** [Zoning] Codify Palm Beach County Comprehensive Plan Future Land Use (FLU) Element Objective 1.5-r to make the regulations applicable to all uses in the Institutional, Public and Civic Use classification. The objective does not permit the location of institutional and public facilities west of State Road 7 in the Agricultural Reserve Tier in order to preserve farmland and wetlands.

**B. General Institutional, Public and Civic Standards**

**1. Agricultural Reserve (AGR) Tier**

In the AGR Tier, institutional, public and civic uses are prohibited west of State Road 7.

AIRPORT, LANDING STRIP OR HELIPAD STANDARDS HAVE BEEN RELOCATED TO NEW ART. 4.B.8 TRANSPORTATION USES.

**C. Definitions and Supplementary Use Standards for Specific Uses**

**1. Type IV Kennel (Animal Shelter)**

**HISTORY:** The Kennel Type IV (Animal Shelter) use definition and supplemental standards were introduced in the ULDC in 2008 by Ordinance 2008-037. The definition and supplemental standards were amended by Ord. 2008-037, 2009-040, 2010-005, and 2011-016.

**Reason for amendments:** [Zoning]

1. Delete Kennel Type IV from the use name to only keep Animal Shelter. The change minimizes confusion with other commercial kennel uses.
2. Revise the definition to:
  - Delete the reference to type of establishment and acreage requirement as an Animal Shelter will be subject to the Property Development Regulations (PDRs) of the zoning district where the use is located. Humane Society and Private Animal Nonprofit organization are defined by Ordinance 98-022 as amended, and therefore regulated by Animal Care and Control (ACC).
  - Delete reference in the use definition related to services. The use definition shall be limited to explain and outline the meaning of a use instead of providing additional information that is developed through separate supplementary use standards.
2. Rename the Limitations of Use Standard to identify typical services the use is intended to include.
3. Establish ACC Permit standard to clarify that Zoning approval is required prior to application for an ACC Operational Permit.
4. Delete the Hours of Operation Standard as the ACC Ordinance does not identify or regulate business hours. The hours of operation shall comply with new Article 5.E.5, Hours of Operation.
5. Delete the Setback standard related to outdoor areas. Setback requirements will be subject to standards for kennels and runs under provisions for Accessory Uses found in Art. 5.B.1.A.22, Kennels and Runs.

**a. Definition**

~~A not for profit institutional establishment regulated by ACC Ord. 98-022, as amended as a humane society, or private animal non-profit organization on 2.5 acres or more or when open to the public, A nonprofit establishment used for the protection of unwanted or abandoned domesticated animals, the use of which may include sheltering, adoption, fostering, providing rescue or old age homes, medical or behavioral rehabilitation, or other accessory uses as may be permitted by ACC that are not regulated elsewhere by this Code.~~ [Ord. 2008-037] [Partially relocated to Limitations of Use Standard, below]

ARTICLE 4.B, USE REGULATIONS  
SUMMARY OF AMENDMENTS  
(Updated 01/15/16)

**Reason for amendments in the Use Matrix:** [Zoning] Allow the use in CL and CHO of IRO subject to Class A Conditional Use approval for consistency with the approval of the use in similar commercial zoning districts.

**2. Cemetery**

**HISTORY:** Staff is using Ordinance 1992-020 as the initial reference of amendment history for the Cemetery use. The definition and supplemental standards were amended by Ord. 2003-067, 2013-001 and 2015-06.

**Reason for amendments:** [Zoning]

1. Delete reference in the use definition related to tentative accessory uses or services. The use definition shall be limited to explain and outline the meaning of a use instead of providing additional information that may be developed through supplementary use standards. Definition of chapel will be added to Article 1 to clarify is an accessory use not to be confused with a Place of Worship as defined and developed in this use classification.

2. There are circumstances in which a site may be subdivided with outparcels requiring the MUPD provision to be utilized. Since cemeteries are not consistent with commercial uses located in MUPD, a new supplementary standard is proposed to limit MUPDs developed for cemeteries to be limited to include other cemeteries or places of worship uses only.

**a. Definition**

Land used or intended to be used for human ~~or animal~~ interment. ~~A cemetery may include an office, chapel, mausoleum, or columbarium.~~ [Ord. 2013-001]

**ba. Zoning District - MUPD**

~~A MUPD developed to include a Cemetery shall be limited to have Place of Worship or other Cemeteries as collocated uses.~~

**c. Frontage**

~~Where permitted in a ~~in all~~ residential zoning districts, a ~~e~~Cemetery shall have frontage on and access from an arterial or a collector street.~~

**db. Lot Size**

1) A ~~e~~Cemetery ~~for human interment~~ shall be located on a site with a minimum contiguous area of 30 acres. ~~An existing cemetery having less acreage shall not be considered a non-conforming use if the acreage shown is consistent with a prior approval.~~ [Relocated to new #2), below] Exceptions to the minimum acreage requirement may be permitted, as follows: [Ord. 2013-001] [Ord. 2015-006]

4a) Cemeteries owned and operated by a Place of Worship located within Palm Beach County, whether collocated or remotely located, ~~when on sites~~ less than 5 acres, ~~but not less and equal to or greater~~ than 2 acres, which provides only single-level ground burial. [Ord. 2015-006]

2b) County and municipal cemeteries. [Ord. 2015-006]

3c) Community and nonprofit association cemeteries, which provide only single-level ground burial and do not sell burial spaces or burial merchandise. [Ord. 2015-006]

4d) Cemeteries owned and operated or dedicated by a Place of Worship prior to June 23, 1976. [Ord. 2015-006]

5e) A columbarium consisting of less than one-half acre which is collocated with a Place of Worship. [Ord. 2015-006]

6f) A mausoleum consisting of two acres or less which is collocated with a Place of Worship. [Ord. 2015-006]

7g) A columbarium consisting of five acres or less which is located on the main campus of a state university as defined in F.S. §1000.21(6). [Ord. 2015-006]

2) ~~An existing Cemetery having less acreage shall not be considered a non-conforming use if the acreage shown is consistent with a prior approval.~~ [Ord. 2015-006] [Relocated from #1) above]

SUMMARY OF AMENDMENTS  
(Updated 01/15/16)**

2.	Relocate standard allowing a Funeral Home or a Crematory to be collocated with a Cemetery in the Multifamily Residential (RM) Zoning District. The standard is consolidated with regulations that apply to Funeral Home and Crematory uses, respectively.
3.	Clarify that pet cemetery is only permitted in the Institutional and Public Facilities (IPF) Zoning District for consistency with the uses intended to be located in the designation and delete approval from the General Commercial (CG) Zoning District. Pet cemetery will be permitted to be accessory to any Cemetery for humans provided the pet cemetery is not located within the minimum acreage required for the Cemetery for humans established by State Statutes.
4.	Florida Statutes 497 regulates Cemeteries as “a place dedicated to and used or intended to be used for the permanent interment of human remains or cremated remains” but it does not cover pet cemeteries. Staff recognizes industry trend to allow pet cemeteries accessory to a Cemetery for humans but the minimum lot size of requirements of Cemeteries has to be met as stated in the State Statutes. Consequently, a new standard is proposed to allow accessory pet cemetery as long as the square footage is in addition to the minimum acreage required for Cemeteries for human interment.

~~**c. RM District**~~

~~*In the RM district, a cemetery may include a funeral home or a crematory subject to approval as a Class A Conditional Use, provided the use is restricted to those being interred within that cemetery. [Ord. 2013-001]*~~ **[Relocated to Crematory Use and Funeral Home use, below]**

~~**d. Pet Cemetery**~~

- ~~1) A pet cemetery shall May be permitted only in the CG and IPF Zoning Districts subject to as a Class A Conditional Use approval. [Ord. 2013-001]~~
- ~~2) May be permitted as an accessory use to a Cemetery, provided the area dedicated for pet cemetery is in addition to the minimum lot size required for the Cemetery.~~

<b>Reason for amendments in the Use Matrix:</b> [Zoning]	
1.	Change approval in General Commercial (CG), Community Commercial (CC), and Public Ownership (PO) Zoning Districts from Class B Conditional Use to Class A Conditional Use. The use cannot be less restrictive in standard zoning district than in Planned Development Districts (PDDs) where additional site design requirements and development patterns are typically exceeded. The approval for the use in the Civic pod of PUD is Class A Conditional use, therefore this change is made to be consistent with approval in PDDs which allows public participation through the hearing process.
2.	Allow the approval of Cemeteries in MUPD with CH FLU designation subject to Class A Conditional Use approval to allow development of outparcels when collocated with other Cemeteries or Places of Worship. A supplementary use standard has been created to clarify the limitations of the use in this district.

**3. College or University**

**HISTORY:** Staff is using Ordinance 1992-020 as the initial reference of amendment history for the College or University use. The definition and supplemental standards were amended by Ord. 2003-067.

<b>Reason for amendments:</b> [Zoning]	
1.	Delete reference in the use definition related to supporting services or functions necessary for the operation of the use. The use definition shall be limited to explain and outline the meaning of a use.
2.	Streamline the approval of the use to make it subject to DRO when standards related to separation from residential, limitation of building square footage, and location on collector or arterial streets are met. <ul style="list-style-type: none"> <li>• The separation standard of 150 feet from residential FLU designation or use is utilized consistently throughout the Code for high intensity uses such as Pawnshop.</li> <li>• The limitation of maximum square footage to 30,000 gross floor area responds to the average mid-size college or university which also corresponds to the minimum square footage that will trigger approval of the use by the Board of County Commissioners (BCC) as contained in the Development Thresholds section of this Code. Dormitories shall be counted towards the total building square footage.</li> <li>• The requirement for freestanding or stand alone use located on arterial or collector street is added to facilitate approval and promote location of College or University use in Planned Development Districts and infill parcels and minimize the impact to adjacent uses or roads.</li> </ul>
3.	Clarify that dormitories shall be considered incidental use to a College or University to be allowed as long as they are owned or operated by the educational institution and used by its students. If this provision is not met, the use will be considered residential and will be subject to the applicable residential use standards, approval process and density requirements.

- 3) The use has frontage on and access from an arterial, collector or local commercial street.

**c. Accessory Dormitories**

**Reason for amendments in the Use Matrix:** [Zoning]

The use is now proposed to be in the CHO Zoning District, MXPB with CHO FLU designation and TMD Urban/Suburban, Exurban and Rural Tiers subject to Class A Conditional Use approval for consistency of the use approval in similar intensity commercial zoning districts.

**4. Crematory**

**HISTORY:** Crematory use was established for the first time in the ULDC by Ordinance 2013-01 in order to respond to industry demand and clarification when the use is collocated with a Cemetery.

**Reason for amendments:** [Zoning]

- 1. Amend definition by deleting reference to Funeral Homes as Funeral Home is another defined use with supplementary standards in the Public and Civic Use classification. The use definition shall be limited to explain and outline the meaning of a use.
- 2. Relocate from Cemetery and consolidate Crematory standard related to collocation of the use under the provisions that pertain to Crematory use. The standard clarifies approval of collocated Crematory to a Cemetery in the RM Zoning District to be Class A Conditional Use since the use is prohibited in the Multifamily Residential (RM) Zoning District as identified in the Use Matrix.

**a. Definition**

A facility used for the incineration of human or animal remains, ~~excluding activities related to funeral homes.~~ [Ord. 2013-001]

**ab. Equipment Location**

**Reason for amendments in the Use Matrix:** [Zoning] No changes to the approval process have been proposed.

**DAY CAMP HAS BEEN RELOCATED TO ART. 4.B.11, TEMPORARY USES TO BE ADDRESSED AT A LATER TIME.**

SUMMARY OF AMENDMENTS  
(Updated 01/15/16)

5. Day Care

<b>HISTORY:</b> Staff is using Ordinance 1992-020 as the initial reference of amendment history for the Day Care use. The definition and supplemental standards were amended by Ord. 2003-067, 2005-002, 2011-016, and 2013-021. Ordinance 2011-016 clarified use requirement for Family Day Care Home and Large Family Child Care Home (LFCCH) for compliance with Chapter 2010-249, Section 1(3), Laws of Florida.
<b>Reason for amendments:</b> [Zoning]
1. Clarify the different types of Day Care use by explaining them separately while retaining standards that apply to all Day Care uses.
2. Relocate the use is made for consistency with similar uses that are accessory to residential principal uses. The approval is indicated in Table 4.B.1.D - Corresponding Accessory Use to a Principal Use and Permitted by Right (P) accessory to Single Family dwelling, Townhouse, Zero Lot Line, Multifamily and Mobile Home Dwelling in the zoning districts where the principal uses are permitted.
3. Delete standard related to the approval of the Large Family Child Care Home (LFCCH) as the approval process is now indicated in the Use Matrix. The use is shown in the Use Matrix to be allowed in the same residential zoning district where Limited Day Care is allowed for consistency with content in the standard to be deleted. Per F.S. 402.302(11), a LFCCH is required to operate for two years as a Family Day Care Home prior to obtain license as LFCCH, therefore this use will be permitted only in the zoning districts indicated in the Use Matrix subject to the previous operation as Family Day Care Home.
4. Delete DRO approval standard in the LFCCH to clarify that the use is Permitted by Right when the parcel is 20,000 square feet (SF) or greater since the Use Matrix will reflect DRO as the most restrictive approval process for those smaller lots.
5. Create reference to the Residential use classification for Family Day Care Home use to assist the Code user on the location of the use information.

See standards under Residential Use Classification, Accessory Residential Use Standards.
- ec. Lot Size  
A minimum of 6,000 square feet, or the minimum required by the district in which the Limited or General dDay eCare is located, whichever is greater.

Reason for amendments: [Zoning]
6. Delete Farm Workers Quarters from a reference that allowed the Day Care to be accessory to it. Farm Workers Quarters is an accessory use in itself, it cannot exist on its own.
7. Comprehensive Plan Future Land Use (FLU) Element Objective 1.5 does not permit institutional and public facilities west of State Road 7 in the Agricultural Reserve Tier in order to preserve farmland and wetlands. The standard was deleted to be a general standard applicable to all uses in the Institutional, Public and Civic Use classification.
8. Delete unenforceable standard that limits day cares in industrial zoning districts to serve only the employees of that zoning district.
9. Delete a portion of the Outdoor Play Equipment supplementary use standard that requires the site plan to show the location of stationary play equipment. Zoning Memorandum PPM# ZO-O-029 identifies structures that do not need to be shown on the approved Final Plans and it clearly identifies playground equipment to be excluded.

- f. AGR District  
~~A limited day care may be permitted as an accessory use to a church, place of worship, farm worker quarters, or assembly non-profit institutional use, subject to DRO approval.   - ~~1) Exception~~  
~~A commercial pod in a MXPd or PIPD shall not be subject to this limitation.~~
- jf. Floor Area
  - 1) Child Care

**6. Funeral Home**

<b>HISTORY:</b> Funeral Home use definition was established for the first in the ULDC by Ordinance 2013-01 in order to clarify when the use is collocated to a Cemetery.
<b>Reason for amendments:</b> [Zoning]
1. Amend definition by deleting reference to Cremation as Crematory is another defined use with separate standards in the Institutional, Public and Civic Use classification. The use definition shall be limited to explain and outline the meaning of a use.
2. Relocate and consolidate Crematory standard to keep all related standards under the provisions that pertain to Crematory use. Stand alone Crematory is prohibited in the Multifamily Residential (RM) Zoning District. The relocated standard from Cemetery clarifies Class A Conditional approval is applicable to Crematory when collocated to a Cemetery in that Zoning District.

**a. Definition**

An establishment which arranges and manages funerals and prepares human or animal remains for interment, ~~excluding cremation~~. [Ord. 2013-001]

**b. Zoning Districts - IL, or IG, District and or MUPD with IND FLU**

A ~~f~~Funeral ~~h~~Home shall be limited to preparation for interment. No public observances, sermons or funerals shall be permitted. [Ord. 2013-001]

**c. Collocated Use**

*In the RM district, a Funeral Home may be collocated with a Cemetery subject to a Class A Conditional Use approval, provided the use is restricted to those being buried within that Cemetery. [Ord. 2013-001] [Relocated from Art. 4.B.4.C.4, Cemetery, above]*

<b>Reason for amendments in the Use Matrix:</b> [Zoning] No changes to the approval process have been proposed.

**7. Government Services**

<b>Reason for amendments:</b> Staff is using Ordinance 1992-020 as the initial reference of amendment history for the Government Services use. The definition and supplemental standards were amended by Ord. 2003-067, 2008-037, 2009-40 and 2011-001.
1. Revise the Definition to delete typical uses and create an individual standard for clarification purposes. Delete reference to Homeless Resource Center, see reason #6, below.
2. Standard related to Institutional and Public Facilities located in the AGR Tier west of SR 7/US 441 is relocated from this use and consolidated to the new general standards at the introductory part of Institutional, Public and Civic Uses as the Comprehensive Plan Policy 1.5-r makes the regulations applicable to all Institutional uses.
3. Revise the Prison standard to: <ul style="list-style-type: none"> <li>Clarify jails, correctional facilities and prisons are allowed only in certain zoning districts subject to Class A Conditional Use and other Government Services uses will be subject to the existing approval process in the Use Matrix; and,</li> <li>Relocate language related to barbed wire as all regulations have been consolidated under dangerous materials in Article 5, Supplementary Standards. Article 5 will be amended to include this use as one that allows barbed wire.</li> </ul>
4. Delete the PIPD reference in the ACC Control Facilities standard. ACC facilities do not meet the purpose of the PIPD Zoning District intended for large employment centers, promoting research and development and other value-added services.
5. Delete standard that allowed Homeless Resource Centers to utilize Government Services approval. Homeless Resource Center, regardless if the use is private or public, will be subject to the same approval process and supplementary use standards.

**a. Definition**

Buildings or facilities owned or operated by a government entity and providing services for the public, excluding utility and recreational services. ~~Typical uses include administrative offices for government agencies, public libraries, police and fire stations, and homeless resource centers.~~ [Ord. 2009-040]

**b. Typical Uses**

*A Government Service may include, but is not limited to: Administrative offices for government agencies, jails, correctional facilities, prisons, public libraries, police and fire stations.*

**a. AGR-District**

~~Institutional and public facility uses shall not be located west of SR-7.~~

ARTICLE 4.B, USE REGULATIONS  
SUMMARY OF AMENDMENTS  
(Updated 01/15/16)

**bc. Approval Process – PO and IPF Zoning Districts Prisons**

- 1) Jails, correctional facilities and prisons shall be ~~permitted~~ allowed in the PO and IPF Zoning ~~d~~Districts only ~~subject to Class A Conditional Use approval~~. Expansion of existing facilities shall be exempt from ~~this requirement~~the Class A Conditional Use approval.
- 2) All other Government Services shall be Permitted by Right in the PO Zoning District and DRO Approval in the IPF Zoning District.
- 1) ~~Barbed or Razor Wire~~  
~~Barbed or razor wire may be installed pursuant to Art. 5.B.1.A.2.c, Dangerous Materials. [Ord. 2011-001]~~

**cd. ACC Animal Control Facilities**

An ACC operated Animal Control Facility shall be considered a ~~g~~Government ~~s~~Services use in the PO and IPF Zoning ~~d~~Districts; ~~or a commercial or light industrial pod of a PIPD, subject to compliance with the limitations of Plan Future Land Use Element Policy 2.2.4-b. [Ord. 2008-037]~~

**d. Homeless Resource Centers**

~~These facilities shall comply with the supplementary standards indicated Note 70-1 of this Chapter, Homeless Resource Center. [Ord. 2009-040]~~

**Reason for amendments in the Use Matrix: [Zoning]**

- Change the approval in the CN, CLO, CC, CHO, CG and CRE Zoning Districts for consistency with commercial FLUs and Pods in Planned Development Districts.
- Change the approval in the PO Zoning District from Permitted (P) to Class A Conditional Use (A); and in the IPF Zoning District from DRO (D) to Class A Conditional Use to identify the most restrictive use approval applicable to jails, correctional facilities and prisons as dictated in the standards.

**8. Homeless Resource Center**

**HISTORY:** The Homeless Resource Center use definition and supplemental standards were first referenced in 2009 (Ord. 2009-040).

**Reason for amendments: [Zoning]**

1. Revise the definition to:
  - Clarify that a Homeless Resource Center can be a public or private establishment. Publicly owned Homeless Resource Centers were referenced in the Government Services Use and relocated to the Homeless Resource Center use so that both distinctions would be incorporated into one use.
  - Relocate typical services to a new supplemental standard. Typical services reference is not a function of the definition.
2. Revise the Location and Separation Requirements standard to:
  - Clarify PO Deviations are applicable to separation and location provisions; and,
  - delete the Fire Rescue provision. Fire Department verifies through concurrency review process if a fire rescue station response time and accessibility is within the goals of that department to respond to any use.
3. Establish a standard that recognizes government operated or owned Homeless Resource Centers approved during the period when this use was created and the effective date of this ordinance to consider them conforming. This change is made in response to the deletion of a standard that allows Homeless Resource Centers to utilize Government Services approval.

**a. Definition**

A facility public or private establishment that provides multiple services for the homeless population. ~~Typical services include: counseling, kitchen and dining facilities, medical and dental outpatient facilities, temporary housing, intake, social services, employment services, and administrative offices.~~

**b. Typical Services**

Typical services provided by a Homeless Resource Center may include but are not limited to: Counseling, kitchen and dining facilities, medical and dental outpatient facilities, temporary housing, intake, social services, employment services, and administrative offices.

SUMMARY OF AMENDMENTS  
(Updated 01/15/16)

Public Hearing Process, may be requested if this standard cannot be met. ~~Facilities located in the PO zoning district may request a deviation from this requirement pursuant to the standards in Article 5.A.3, Deviations for the PO Zoning District. [Ord. 2009-040]~~

2) A Homeless Resource Center ~~(HRC)~~ shall not be located within a 1,200 foot radius of another Homeless Resource Center. [Ord. 2009-040]

3) ~~The applicant shall obtain certification from Palm Beach County Fire Rescue that a fire rescue facility is available to serve the proposed facility. Certification shall be provided prior to issuance of the development permit. [Ord. 2009-040]~~ Facilities located in the PO Zoning District may request a PO Deviation from Location and Separation Requirements, subject to BCC approval, utilizing the standards in Art. 5.A.3, Deviations for the PO Zoning District.

**bd. Facility Use**

A minimum of twenty-five percent of the GFA shall be reserved for accessory service delivery other than temporary housing. [Ord. 2009-040]

**ce. Subsequent Development with Locational Standards Nonconformities**

The subsequent approval of a development order for a residential district shall not change the status of the HRC to a nonconforming use. [Ord. 2009-040] **[Relocated to Location and Separation Requirements Standard, above]**

**f. Existing Approvals**

A prior approval for a government owned or operated Homeless Resource Center shall be considered a legal conforming use for sites approved between October 28, 2009, (Ordinance 2009-040), and the effective date of this ordinance.

**Reason for amendments in the Use Matrix:** [Zoning] The following changes are being proposed:

- Delete Class B Conditional (B) approval from the CC Zoning District. The use does not meet the intent of the Community Commercial Zoning District as this district is to provide neighborhood serving commercial facilities. An Homeless Resource Center is more of a regional serving facility.
- Change the approval process in CHO and CG Standard Zoning Districts from Class B Conditional Use to Class A Conditional Use. The change is made for consistency with the approval of the use in similar zoning districts.
- Add Class A Conditional Use approval process to the CH and CHO of the IRO Zoning Districts. The use is proposed to be changed from DRO approval to Class A Conditional Use in the IL Zoning District and subject to Class A Conditional use in the MUPD with IND FLU designation for consistency between each other.
- Add Class A Conditional Use approval process to the PO Zoning District. The proposed addition is addressing the relocation of Homeless Resource Center from Government Services. Homeless Resource Center, regardless if the use is private or public, will be subject to the same approval process and supplementary use standards.
- The use is deleted from the Industrial light (IL) pod and Commercial pod of PIPD as it is a non-industrial use that is not supporting major function of an employment center such as PIPD.

9. Hospital ~~or Medical Center~~

**HISTORY:** Staff is using Ordinance 1992-020 as the initial reference of amendment history for the Hospital or Medical Center use. The definition and supplemental standards were amended by Ord. 2003-067, 2005-002 and 2011-001.

1. Revise use name and definition to remove reference to Medical Center. The industry utilizes "Medical Center" to identify facilities that provide services covered under Hospitals which are approved by the Agency for Health Care Administration (AHCA) as Hospitals. Approvals made to Hospital or Medical Center shall be covered under Hospitals.

Staff recognizes the medical facility industry is emerging and as such needs to accommodate those uses that do not fit neatly into a Hospital use. Staff is proposing to add additional medical facility uses during the Commercial Use Classification review and analysis based on industry standards and state statute. The new uses may include Ambulatory Surgical Center, Emergency Center, Treatment Center or Urgent Care Center.

2. Address the licensing requirement for a Hospital by the State of Florida consistent with F.S. 395.003.

3. Delete the Beds standard as the Agency for Health Care Administration's (AHCA) Bureau of Health Facility Regulation addresses bed counts through the Certificate of Need (CON) program. The CON program reviews applications for new hospitals.

4. Relocate Helipad and Collocated Medical or Dental Offices standards as collocated and accessory uses will be identified under the individual use in accordance with new formatting protocol. The Code addresses instances where uses can be collocated and would be subject to the approval process identified in the new Use Matrix.

**a. Definition**

~~A facility licensed by the State of Florida~~ An establishment which that maintains and operates organized facilities for medical or surgical diagnosis, overnight and outpatient care, and treatment of human illness. ~~A hospital is distinguished from a medical center by the provision of overnight care.~~ [Ord.2005-002]

**1) Setbacks**

~~**f. Collocated Medical or Dental Offices**~~

**Reason for amendments in the Use Matrix:** [Zoning] No change to the approval process is being proposed.

SUMMARY OF AMENDMENTS  
(Updated 01/15/16)

10. Assembly, Nonprofit Institutional Assembly

<b>HISTORY:</b> Staff is using Ordinance 1992-020 as the initial reference of amendment history for the Nonprofit Institutional Assembly use. The definition and supplemental standards were amended by Ord. 1995-008, 1997-064, 1999-037, 2000-015, 2001-001, 2001-100, 2003-067, 2005-002, 2006-013, 2007-001, 2007-013, 2010-022, and 2011-016.
<b>Reason for amendments:</b> [Zoning]
1. Revise the definition to relocate typical uses to a new standard. Typical uses reference is not a function of the definition.
2. Per staff comments at November 18, 2015 LDRAB meeting, standard related to PO Zoning District are deleted in its entirety. The limitation to the PO Zoning District was originally established as part of a prior update done to Place of Worship, as this use was not allowed in the PO district at that time. The standard is now removed since a Place of Worship is an allowed use in the PO Zoning District. In addition, it is generally redundant to the government owned or operated limitations established in the definition for the PO district.
3. Clarify Nonprofit Institutional Assembly meets the intent of the Comprehensive Plan FLU Element Sub-Objective 1.2.1 Revitalization, Redevelopment and Infill Overlay (RRIO) for neighborhood revitalization efforts through the County wide Community Revitalization Team (CCRT) Areas. The revisions will eliminate redundancy and provide flexibility by allowing the use subject to Special Permit to encourage development in the RRIO.
4. Delete requirement for the use to serve the farm workers and residents in the AGR Zoning District as it is already addressed by the Comprehensive Plan's FLUE Objective 1.5. Standard related to the location of the use in the AGR Tier west of SR 7/US 441 is relocated from this use to the new general standards at the introductory part of Institutional, Public and Civic Uses. The Comprehensive Plan Future Land Use Element Policy 1.5-r makes the regulations applicable to all Institutional uses.

[Ord. 2006-013]

**2)e. Redevelopment and Revitalization and Infill Overlay (RRIO)**

(Updated 01/15/16)

~~hb) The following accessory uses shall be permitted: limited day care, day camp, neighborhood association office, and community police substation, and fire rescue substations, and special events.~~

**2) Location**

May be located on a local residential street provided the building square footage is limited to a maximum of 5,000 square feet.

~~b. TND District~~

~~Nonprofit institutional assembly shall be limited to a maximum of 10,000 square feet of GFA. [Ord. 2006-013] [Relocated to Zoning Districts Standard, above]~~

~~c. AGR District~~

~~The use shall be limited to that which serves the needs of farm workers or residents of the AGR Tier and shall not be located west of SR 7. [Ord. 2006-013] [Partially relocated to Article 4.B.4.B, General Institutional, Public and Civic Standards]~~

~~d. PO District~~

~~Nonprofit institutional assembly shall be government owned and operated. [Ord. 2006-013]~~

**Reason for amendments in the Use Matrix:** [Zoning] Staff analyzed the approval process consistent with the proposed Place of Worship changes from Class A to Special Permit. Additionally, staff analyzed the approval process in standard zoning districts compared to the PDDs where additional site design requirements and development patterns are typically exceeded. The use should not be less restrictive in the standard zoning districts. The following changes are being proposed:

- Add the use to the AR/USA Zoning District as a Class A Conditional Use (A);
- Add the use to the CRE Zoning District as a DRO Approval;
- Change the approval in the CG Standard Zoning District, Commercial Pod of a PUD, MUPD with CH, CR, and INST FLU designation, MXPDP with CH FLU designation and LCC with CH FLU designation from a Class A Conditional (A) approval to DRO (D) approval;
- Delete use from MXPDP with CHO FLU designation consistent with CHO Standard Zoning District and MUPD with CHO FLU designation as the use is prohibited in these districts; and,
- Change the approval in the PO Zoning District from Permitted by Right (P) to a DRO Approval. Staff is proposing to add the Place of Worship use to the PO Zoning District as a Special Permit approval, therefore a Nonprofit Institutional use must be on equal footing or have a more restrictive approval process.

**11. Assembly, Nonprofit Membership Assembly**

**HISTORY:** Staff is using Ordinance 1992-020 as the initial reference of amendment history for the Nonprofit Membership Assembly use. The definition and supplemental standards were amended by Ord. 1995-008, 1997-064, 1999-037, 2000-015, 2001-001, 2001-100, 2003-067, 2005-002 and 2006-013.

**Reason for amendments:** [Zoning]

1. Revise the definition to relocate typical uses to a new standard. Typical uses reference is not a function of the definition.
2. Delete requirement for the use to serve the farm workers and residents in the AGR Zoning District as it is already addressed by the Comprehensive Plan's FLUE Objective 1.5. Standard related to the location of the use in the AGR Tier west of SR 7/US 441 is relocated from this use to the new general standards at the introductory part of Institutional, Public and Civic Use Classification. The Comprehensive Plan FLU Element Policy 1.5-r makes the regulations applicable to all Institutional uses.
3. Delete the PO District standard for consistency as the use is prohibited in the Use Matrix.

**a. Definition**

**b. Typical Uses**

SUMMARY OF AMENDMENTS  
(Updated 01/15/16)

1 **ad. Frontage and Access**

2 The use shall have frontage on and access from a collector, arterial, or local commercial  
3 street. A ~~place of assembly~~ Nonprofit Membership Assembly with collocated uses, or  
4 more than 15,000 square feet of GFA or 350 seats, including accessory uses, shall have  
5 frontage on and access from a collector or arterial street. [Ord. 2006-013]

6 **b. AR/RSA**

7 ~~May be permitted in the AR/RSA with a SA FLU, subject to a Class A conditional use~~  
8 ~~approval. [Ord. 2005-002] [Relocated to Zoning Districts Standard, above]~~

9 **c. AGR-District**

10 ~~The use shall be limited to that which serves the needs of farm workers or residents of~~  
11 ~~the AGR Tier and shall not be located west of SR 7. [Ord. 2006-013] [Partially~~  
12 ~~relocated to Article 4.B.4.B, General Institutional, Public and Civic Standards]~~

13 **d. PO-District**

14 ~~A nonprofit membership assembly shall be government owned and operated. [Ord.~~  
15 ~~2006-013]~~

16 **e. TND-District**

17 ~~Nonprofit membership assembly shall be limited to a maximum of 10,000 square feet of~~  
18 ~~GFA. [Ord. 2006-013] [Relocated to Zoning Districts Standard, above]~~

19 **Reason for amendments in the Use Matrix:** [Zoning] Similar to the Nonprofit Institutional Assembly use above, staff analyzed the approval process consistent with the proposed Place of Worship changes from Class A to Special Permit. Additionally, staff analyzed the approval process in standard zoning districts compared to the PDDs where additional site design requirements and development patterns are typically exceeded. The use should not be less restrictive in the standard zoning districts. The following changes are being proposed:

- Add the use to the AR/RSA Zoning District as a Class A Conditional Use (A); and,
- Change the approval in the CG Standard Zoning District, MUPD with CH, CR, and INST FLU designation, MXPD with CH FLU designation and LCC with CH FLU designation from Class A Conditional (A) approval to DRO (D) approval.

22  
23 **12. Place of Worship**

24 **HISTORY:** The Place of Worship use was first referenced in the 1957 and 1973 Code as "Church or Place of Worship". There were no use specific supplemental standards in either Code. In the 1992 ULDC (Ord. 1992-020) a definition and use specific supplemental standards were referenced. The definition and supplemental standards were amended by Ord. 1993-004, 1997-014, 1999-037, 2001-100, 2003-067, 2005-002, 2005-041, 2006-013, and 2011-016.

**BACKGROUND:**

The County Attorney's office has recommended to the Zoning Division to review and potentially revise the Place of Worship use in the Unified Land Development Code (ULDC).

A review of national, state and local trends as well as applications for places of worship indicates that "places of assembly" are transforming from the traditional role of providing a limited number of worship services (e.g. one or two days per week) and community support activities, to providing multiple services several days per week and space for an increasing variety of community services, some of which may or may not be related to the practice of religion or support of surrounding neighborhoods. Assembly uses, specifically Places of Worship, are increasingly becoming more common in low density residential districts. The potential for adverse impacts to surrounding areas includes but is not limited to insufficient parking and additional uses that create higher levels of traffic and noise than traditional places of worship. Along with addressing potential adverse impacts on surrounding neighborhoods, local governments must consider the Religious Land Use and Institutionalized Persons Act (RLUIPA) when regulating religious uses. The RLUIPA states that local land use regulations cannot place undue burden on religious practices.

**Reason for Amendments:** [Zoning]

1. Delete the reference in the definition related to seminary. A seminary is defined as a College or University Use.
2. Establish standard to address potential modification of or abandonment of existing approvals.

25 **a. Definition**

26 ~~Means a An establishment sanctuary~~ which may include a retreat, convent, ~~seminary~~ or  
27 other similar use, owned or operated by a tax-exempt religious group that is used  
28 periodically, primarily or exclusively for religious worship, activities ~~and or~~ related  
29 services. ~~A place of worship may include collocated facilities that require additional~~

Prior approvals may be continued to be utilized subject to the limitations in Art. 2.D.1.G, Modifications to Prior Development Orders. A Development Order exceeding the thresholds in Art. 2.D.1.G shall be subject to a Development Order Abandonment (ABN) and a concurrent request for a DRO approval.~~

| 3. | Revise the frontage and access requirements to clarify the location of a Place of Worship based on the size of the establishment.   |
| 4. | Delete the DRO Approval standard, as it no longer applies due to the change to the approval process from Class A Conditional Use (A) to DRO Approval (D). See Reason for Amendments in the Use Matrix #1 below. |

**ac. Frontage and Access Location**

~~A place of worship with collocated uses such as a day care, school, CLF, or cemetery; or, in excess of 15,000 square feet of GFA or 350 seats, including accessory uses, shall have frontage on and access from a collector or an arterial street. [Ord. 2006-013]~~

- 1) ~~A Place of Worship greater than or equal to 15,000 square feet, including accessory uses, shall have frontage on and access from an arterial or collector street.~~
- 2) ~~A Place of Worship greater than or equal to 5,000 square feet and less than 15,000 square feet, including accessory uses, shall have frontage on and access from an arterial, collector or local commercial street.~~
- 3) ~~A Place of Worship less than 5,000 square feet, including accessory uses, may have frontage on and access from a local residential street.~~

**b. Use Limitations**

**1) DRO Approval**

~~A place of worship not exceeding 3,000 square feet of GFA or 150 seats, including collocated or accessory uses, shall be permitted in the CN, CC, CG, UC or UI, MUPD, MXPD, TMD districts, and a commercial pod in a PDD or TDD subject to DRO approval. | 5. | Delete redundant Collocated language as the Code already addresses instances where uses can be collocated and would be subject the approval process identified in the new Article 4 Use Matrices. Revise the Accessory/ Collocated standard to clarify all collocated uses will be considered conforming so as to not create any nonconformities.  |
| 6. | Any amendments to an existing development or new construction that meets or exceeds the maximum square footage in the threshold are subject to BCC or DRO approval. This standard clarifies that Places of Worship are not subject to the Development Thresholds contained in Article 4.   |
| 7. | Revise Temporary Sales standard to clarify specific types of sales allowed, differentiate accessory sales are not special events; and, establish threshold for number of sales allowed. These changes will mitigate prior confusion with other provisions for the more expansive Temporary Sales use which may include seasonal sales and similar concerns with Special Events, which require a Special Permit. Also, delete standard related to Temporary Sales for more than three consecutive dates as the specific regulations applicable in that case are addressed through the supplementary use standards in Temporary Sales use. |
| 8. | Delete standard allowing affordable housing subject to Class A Conditional Use approval accessory to a Place of Worship in INST FLU designation. A general standard has been proposed under Residential Use Classification to reference Comprehensive Plan regulation in the Future Land Use Element that limits residential uses in the Institutional and Public Facilities (INST) Land Use designation to accessory affordable housing only.   |

**2) Accessory/Collocated Use**

~~A place of worship not exceeding 3,000 square feet of GFA or 150 seats shall be permitted as an accessory use to an assembly, civic, educational or recreational use in any non-residential district, except IL, IG or a PDD with an IND FLU designation, subject to approval by the DRO. [Ord. 2006-013]~~

**d. Development Thresholds**

~~A Place of Worship shall be exempt from the requirements under Development Thresholds in Art. 4, Use Regulations.~~

**3)e. Temporary Sales**

(Updated 01/15/16)

~~A limited day care shall be permitted as a collocated use to a place of worship with a minimum of 3,000 square feet of GFA or 150 seats subject to DRO approval. [Ord. 2005-002] [Ord. 2006-013] [Relocated to Limited Day Care]~~

5) ~~INST~~

~~In the INST FLU designation, affordable housing shall be permitted as an accessory use to a place of worship, subject to approval of a Class A conditional use. Such housing shall be requested and under the direct supervision of a sponsoring nonprofit organization or community based group, provided at below market rental rates, and not for resale. The number of units allowed shall be determined by the Planning Director based on a land use compatibility analysis of the surrounding area. [Ord. 2006-013]~~

9. Delete requirement for the use to serve the farm workers and residents in the AGR Zoning District as it is already addressed by the Comprehensive Plan's FLUE Objective 1.5. Standard related to the location of the use in the AGR Tier west of SR 7/US 441 is relocated from this use to the new general standards at the introductory part of Institutional Public and Civic Use classification. The Comprehensive Plan Policy 1.5-r makes the regulations applicable to all Institutional uses.

6) ~~AGR District~~

~~The use shall be limited to that which serves the needs of farm workers or residents of the AGR Tier and shall not be located west of SR 7/US 441. [Ord. 2006-013] [Partially relocated to Article 4.B.4.B, General Institutional, Public and Civic Standards]~~

Reason for amendments in Use Matrix: [Zoning]

1. This change will amend the existing approval processes from Conditional Use (A), where applicable, to DRO (D), in all zoning districts where the use is allowed. The DRO approval process will allow Zoning staff and applicable County agencies to review applications. The DRO process requires applicable agencies to provide feedback on the proposed application and would require a site plan prior to building permit. Accompanying supplemental standards will provide clear-cut regulatory framework to review and process requests.
2. Add Place of Worship use to the Infill Redevelopment Overlay (IRO) where inadvertently omitted when the district was first established.
3. Delete Requested Use (R) approval from Mobile Home Planned Development (MHPD) District. The MHPD provisions defer to Planned Unit Development (PUD) regulations for recreation, civic and commercial pods, where the use is more appropriately limited to civic and commercial pods.

**13. School, - Elementary or Secondary**

Reason for amendments: Staff is using Ordinance 1992-020 as the initial reference of amendment history for the School, Elementary or Secondary use. The definition and supplemental standards were amended by Ord. 2003-067, 2005-002 and 2012-027.

1. Delete reference to Charter school in the School definition per Florida Statutes 1002.33, section (18) Facilities, indicating that local governing authorities shall make Charter Schools subject to the same regulations applicable to Public Schools.
2. Standard related to Schools located in the AGR Tier west of SR 7/US 441 is relocated from this use and consolidated to the new general standards at the introductory part of Institutional, Public and Civic Use classification as the Comprehensive Plan Policy 1.5-r makes the regulations applicable to all Institutional uses.

(Updated 01/15/16)

**CHAPTER B USE CLASSIFICATION**

**Section 1 Residential Uses**

**C. Definitions and Supplementary Use Standards for Specific Uses**

**4. Nursing Home or Convalescent Facility**

**Reason for amendments:** Staff is using Ordinance 1992-020 as the initial reference of amendment history for the Nursing or Convalescent Facility use. The definition and supplemental standards were amended by Ord. 2003-067 and 2005-002.

1. Address the licensing requirement for a Nursing Home by the State of Florida consistent with F.S. 400.021(12).
2. Delete Emergency Generators standard as the provision already exists in Art. 5 and is currently a duplicative requirement.

**a. Definition**

An establishment where care is offered or provided for three or more persons suffering from illness, other than a contagious disease, sociopathic or psychopathic behavior which is not of sufficient severity to require hospital attention, or for three or more persons requiring further institutional care after being discharged from a hospital, other than a mental hospital. Patients usually require domiciliary care in addition to nursing care.

**b. Licensing**

~~A Nursing Home or Convalescent Facility shall be required to be licensed by the State of Florida.~~

**ca. Lot Size**

A minimum of 10,000 square feet or the minimum requirement of the district, whichever is greater.

**db. Frontage**

A minimum of 100 feet of frontage or the minimum requirement of the district. **[Ord. 2005 – 002]**

**ee. Access**

If located in a residential FLU ~~designation category~~, access shall be provided from a collector or arterial street.

**fd. Maximum Number of Patient Beds**

- 1) All FLU designations except RR: One bed per 1,000 square feet of lot area.
- 2) RR FLU designation: 0.25 bed per 1,000 square feet of lot area.

**e. Emergency Generators**

~~A permanent emergency generator shall be required for all nursing or convalescent facilities, and shall meet the standards of Art. 5.B.1.A.18, Permanent Generators. [Ord. 2006-004]~~

<b>Reason for amendments in the Use Matrix:</b> [Zoning]	
1.	Change the use approval from Class B Conditional Use to DRO in the Institutional and Public Facilities (IPF) Zoning District for consistency with the approval of the use in MUPD with INST FLU designation in order to promote the location of the use in this district.

**Part 4. New ULDC Art. 4.B.1.D Residential Uses, is hereby established as follows:**

**CHAPTER B USE CLASSIFICATION**

**Section 1 Residential Uses**

**D. General Standards for Accessory Uses**

**1. Corresponding Accessory Use to a Principal Use**

<b>Reason for amendments:</b>	
1.	Per F.S. 125.0109, this use shall constitute a valid residential use to be permitted by right in residential zoning districts. F.S. 402.302 defines the use as an occupied residence which makes it accessory to a principal residential use therefore, the use cannot exist on its own. This amendment identifies the use as accessory to Multifamily, Single Family, Townhouse, Zero Lot Line and Mobile Home Dwelling which will allow its location in any of the residential zoning districts where these principal residential uses are allowed.
